

Distributor Brief

Accessories Part Number Changes

With effect from 30th April 2009 we are changing our unit of measure on certain items.

This will mean changing our part numbers for 4 weeks beginning 30th March whilst the changes take place.

Attached is a list of Part Numbers this will affect with the new Temporary Part Number, New Unit of Measure and new List Price.

If you have a special price with us these will automatically be changed.

After this 4-week period the part numbers will revert back to the original numbers.

We believe this action is beneficial to all our Customer.
