

Sales Brief

Alloy Surcharge Application Change

Effective from 5th February 2010 ESAB will apply the published rate of alloy surcharge on applicable products at date of invoice.

The monthly alloy surcharge rates will be available on the “Partners Website” or via the sales office from the 1st working day each month. The new monthly rate will be applied on all applicable orders despatched from the 5th working day of the month.

Please note that to order only items may not be cancelled due to a rise in the alloy surcharge.

For further information please see our standard terms and conditions.
