

Distributor Brief

Upgrade of system

Please be aware that we will be undertaking a major system upgrade this weekend.

There will be no dispatches Friday 1/7/2011. The Customer Service desk will be open as normal.

Please ensure that all orders are placed on the system by 4pm on 30/06/2011 to cover your needs during the closure. Orders placed on 30/06/2011 will be dispatched the same day (where stock is available and there are no account issues)

Normal service will resume Monday 4/07/2011.

Sorry for any inconvenience this may cause.

Louise Cox
Customer Service Manager
